### **Minutes of the Last Annual Parish Meeting**

The minutes of 3<sup>rd</sup> May 2016 were read and approved

### **Matters Arising**

The school is looking forward to some new & innovative plans for the coming year, hopefully encouraging children to join the school  
The Defibrillator is now installed on the Village Hall Building  
The trees up Fell Lane has now been cut back etc

### **Annual Report of the Council**

The Chairman read the Annual Report/Newsletter of the Parish Council. A copy is in the Minute Book.

### **Matters of Concern raised by Parishioners**

Low Street Drainage (Item 7 on Parish Council Agenda)

Mr & Mrs Johnstone brought to the Councillors attention the deterioration of the wall and stones are dropping in to the drain. Chairman Richardson thanked them both for their investigations and comments, which will be discussed at the meeting to follow this Annual Parish Meeting.

The Community are very pleased that the Garden Waste Skip is now being delivered and will continue to do so over the summer months.

It was brought to the Councillors attention, the necessity for repair of the Re-Cycling Centre, wooden sides are broken & cracked and some panels are loose, the Clerk to report to EDC and request maintenance be carried out.

There was no further business, Chairman Richardson thanked all those attending.

Meeting Closed at 7.40pm
