

## Milburn Annual Parish Meeting - 3<sup>rd</sup> May 2016

### Present

Councillors D Richardson,(in the Chair), R Healey, P Moran and S Linsley

Clerk J Connelly

Parishioners :- E Richardson, Mr & Mrs Wood, M Godfrey, Mr & Mrs Joyce, R Armstrong & I Grassie

### Apologies

Councillor M Armstrong

### Minutes of the Last Annual Parish Meeting

The minutes of were read and approved

### Matters Arising

Non to discuss

### Annual Report of the Council

The Chairman read the Annual Report/Newsletter of the Parish Council. A copy in the Minute Book.

The Chairman reported that the potholes had filled and went on to thank all the parishioners who turned out last Sunday to help.

The School appears to be gaining in strength, again very positive reports.

There are approximately 40 households signed up for Fellnet Broadband. A relay has been set up at Cragg & Cuttriss to provide extra coverage

Mr Wood reported that the defibrillator has been installed at no cost therefore no cost to the Parish Council. A Training Session is scheduled for 14<sup>th</sup> May 2016. It can be used for children by reducing the charge but only to be used strictly on Paramedics advice. This defibrillator was donated by Miss P Bellsham.

### Matters of Concern raised by Parishioners

The trees up Fell Lane were again discussed and it was decided it's too late to cut down or thin branches. Councillor Linsley received a quote for £345.00 to carry out this work. Martin Joyce had received a quote previously for approximately £300 for the same work. After discussion it was decided that Councillor Richardson and Councillor Moran would organise the thinning and/or cutting down of these trees in the back end.

There was no further business, Chairman Richardson thanked all those attending.

Meeting Closed at 7.55pm
